

## SEEKS DIVORCE IN ORDER TOWED AGAIN

Friends of Margaret Hillington Acknowledge Purpose of Separation.

SAN FRANCISCO, CAL., February 15.—The news that Margaret Hillington is to divorce Daniel Frohman, became known here first through friends of Miss Hillington who have been visiting recently in Oakland. During the last few days who has been in retirement. It is stated positively by mutual friends that she will begin proceedings soon to secure a divorce for incompatibility from Frohman, and will marry E. J. Bowles, millionaire, the son of whom it is said she is to marry. Edward J. Bowles is a California, one of the wealthy real estate men and capitalists of Southern California. He is not only well known in the political and social life of San Francisco, but is also the president of the National Real Estate Company of Tacoma, a corporation in which several well-known Oakland capitalists are interested.

Until just a few days ago Miss Hillington was visiting in Oakland, and was for a time the guest of the family of John H. Spring, who lives in the big Tacoma land companies with Bowles. When she came from New York to California her trip was heralded by the press as necessitated by a nervous breakdown. When she reached here she reiterated her statements about the possibility of leaving the state.

That Miss Hillington came to California to bring suit for divorce was admitted by Mr. Bowles, who stated that it was his intention to marry Mrs. Frohman in case a divorce was granted. He said:

"That is a matter which the future holds and which I cannot discuss. I met Miss Hillington years ago. I am well acquainted with her family and with Mr. Frohman and am very friendly with him and with them. If a good woman finds that her happiness lies in some other direction, it is her right to seek a divorce. There was a perfect understanding between Miss Hillington and her husband, and when the complaint is filed it will be seen that not the least scandal can be attached to the affair."

Bowles is identified with large real estate operations in San Francisco and Tacoma. **Craves Domesticity.** Miss Hillington said in an interview tonight, "I am to get a divorce from Mr. Frohman, and would like to tell you that I am to marry Mr. Bowles when I am free, but I can't say that now, you know. But I did not leave Mr. Frohman to marry Mr. Bowles or any other. I left him because I could not be happy on the stage. The life of an actress is abnormal. I crave domestic life, home life, children. I want to darn socks. Mr. Frohman is thirty years older than I am. Always I wanted domestic life and children. I wanted to lead the life of a normal woman."

**Frohman Pleaded.** NEW YORK, February 15.—Daniel Frohman, manager of the Lyceum Theatre, who announced yesterday that he and his wife, Margaret Hillington, the actress, had agreed to a separation, preliminary to a divorce, expressed the hope to his friends today, when told that his wife might become the bride of Edward J. Bowles, a real estate man of San Francisco, that she would be very happy, because, as he expressed it, "Mr. Bowles is a fine chap, and I think he would make her a good husband."

## LICENSE CLARENCE COSBY

Police Commissioners May Grant Fred Sternheimer, Junk Dealer, Rehearing.

At a special meeting of the Board of Police Commissioners last night a license was given to Clarence Cosby, giving him the privilege of conducting a junk business. Cosby's first application was not granted on account of some trivial technicality, which was overcome by the owner of the night.

It is understood that Fred Sternheimer, the Brook Avenue junk dealer, whose application was refused by the board at a previous meeting, has applied for, and that it

seem to fit the taste of every one.

Grown-ups relish it, and children go nosing 'round for a bowl of Post Toasties and cream like a pony after sugar.

The golden-brown flakes are substantial, yet so delicately crisp that they melt in the mouth. But it's no use trying to describe the fascinating, toasty flavor—one must "taste the toast" in them to know why.
